Student Speaker Application

Every year, CHASS invites three students (one student per ceremony) to speak to his or her fellow graduates. This year, the College invites students to speak on the following topic:

We in CHASS say that “At Home in the World” is more than just a saying or a slogan. It really represents what it means to be a student of the humanities, arts, and social sciences at UC Riverside. Students are gaining knowledge and developing skills that prepare them for the increasing globalization of the world. How has CHASS and UCR prepared you to be “At Home in the World?”

One student will be selected to serve as Student Commencement Speaker for each of CHASS’s three 2016 Commencement ceremonies. Each of these students will represent their fellow graduates and will present a 3-minute speech.

To be considered the applicant must:

- Be a degree candidate approved to walk at the 2016 Commencement
- Have achieved a record of academic excellence while at UCR
- Demonstrate exceptional public speaking ability
- Demonstrate a high level of involvement in the campus and the community at large

A committee of faculty will review the applications. Those applicants who are selected for an interview will be asked to present a draft of their 3-minute commencement speech to the committee.
